Public Records Request

The City of Hermosa Beach encourages public participation in the governing process and provides reasonable accessibility to all public records except those documents which are exempt from disclosure by express provisions of law or considered confidential or privileged under the law. The City is under no obligation to respond to requests which are not focused or specific. The City may withhold documents which are exempt from disclosure under state or federal law, including the attorney—client privilege or any other applicable privilege. The City, in accordance with Government Code Section 6253(b), has ten (10) days to respond to any request for public documents by indicating whether or not the documents exist and will be made available. Actual production of the documents may take somewhat longer depending upon their ease of availability and staff workload. To assist us in providing a timely response to your request, please fill out the form below and indicate the specific record/document you wish to review.

Subject: CPRA request (HERMB.2019.10.31.a)

Good evening, Hermosa Beach (City of)!

I would like to take a look at copies of every request for public records received by the City of Hermosa Beach in 2017, 2018, and 2019. Additionally I would like to see all responses by the City to these requests. Here, by "responses," I mean the sort of responses mandated by the law and not all the subsequent communications.

Like e.g. Random Person X sends a request. I want a copy of that. After 10 days the City of HB writes back with the info required by the CPRA. I want a copy of that. Or maybe after 10 days the City of HB writes back and is all like "we are taking 14 days for specifically permitted reasons A, B, and/or C." I want a copy of that.

And in those cases, maybe after the 14 days are up the City of HB writes back and goes "here is the specific info required by the CPRA!" I want a copy of that. But after that's all done, and the City and the requester send flurries of emails or letters arranging various aspects of production, I am not interested, at least not presently, in that stuff.

I hope this reasonably describes some identifiable records, City of!

Thanks again,

Adrian
